

Totton and Eling
Town Council

Annual Report

2025/2026

Statement from the Chair of the Council

It is a privilege to be writing this statement as the new chair of Totton and Eling Town Council. Totton has been my home for the past 40+ years and is where my wife and I raised our family.

The Town Council does much to support wellbeing for residents, business, and voluntary groups in the Town. As well as receiving the precept funding our main activities, we also try to access external grants that help to resource improved Town centre facilities such as the recent upgrade in Testvale Park and War Memorial area. This report highlights many of the services we support/operate in our own right or in conjunction with New Forest District and Hampshire County Councils and advises of the Town's achievements over the last year, all of which can be found on the website, within our 5 year plan. The Town Council invites both resident and business involvement in decisions we make and happily welcome any comments or suggestions at the Town meeting held annually in May or via our website. Alternatively, the Civic Reception is always here to help with enquiries.

Other factors will impact Totton in the future including the continued expansion of housing to the north of Totton, and a requirement from Government to find sites for further housing in the Town. Additionally, there are the Government plans for devolution which will potentially see the abolition of NFDC and HCC and the formation of a new Unitary authority. There will be a directly elected Mayor appointed in May 2026 and up to 5 present authorities across the region amalgamated into one Unitary authority. Town and Parish Councils themselves will not be directly impacted, but we will need to work closely with the new Unitary authorities as they transition power and resources.

The Council remains committed to providing the best possible service at this time of both change and uncertainty. The Council's website communicates updated information and both Councillors and Officers offer continued support of facilities for all to enjoy as we live, work and play in this great Town that is Totton & Eling.

Cllr John Penfield

Chair, Totton and Eling Town Council.

Healthy Governance of the Council

The Council acknowledge and respect the requirement for robust transparent governance and have formulated and implemented, over the last year, the following values, policies and procedures:

- Formulation of community engagement statement, revised standing orders and revised financial regulations
- Introduction of numerous operational policies

- Setting up of Committees, which include: Devolution Group and Community Safety Forum.
- Creation of a draft neighbourhood plan.

All of the above will complement the Town Council's Mission Statement in focusing on our chosen core values for the provision of high standard services and the forging of improved communication to strengthen support for all in our community.

We listen to improve, as understanding is the key to a change for the better!

Connect to Support

We are pleased to share a valuable resource provided by Hampshire County Council, designed to support the wellbeing of our community. Hampshire County Council has developed a comprehensive Support Services and Community Directory, which offers a wide range of information, advice, and guidance to residents.

This directory is a fantastic tool for anyone looking for local support services, ranging from health and wellbeing resources to community groups and activities. Whether you need help with finding care services, mental health support, or simply want to get involved with local community events, this directory has it all.

We encourage all residents to explore this resource to discover the support available in our area. The directory is easy to navigate and allows you to search for services specific to your needs.

To access the directory, please visit the Connect to Support Hampshire website here.

Precept Message

Council tax is a mandatory tax paid by residents to the District Council which is in turn distributed to local and County Councils. This money is known as a precept, and we rely on it to finance a wide range of services and initiatives that directly benefit the community.

The precept is utilised to provide essential services such as litter collection, maintenance of local infrastructure, green routes and parks. Cultural activities, recreational facilities and community events are also made possible through the allocation of these funds.

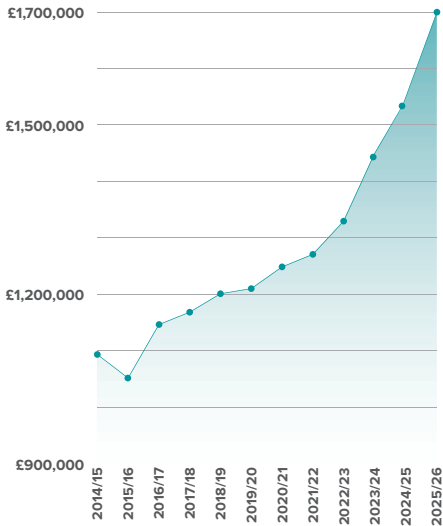

When compared to other Towns, it becomes evident that our Council offers a more varied

array of services than other Town or Parish Councils.

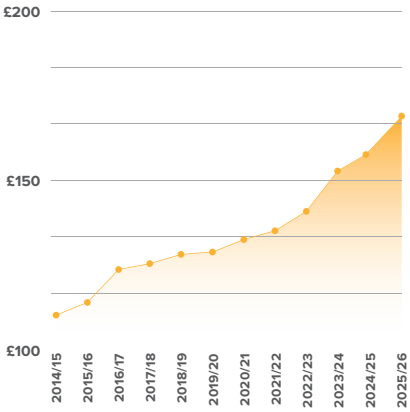

Below are two graphs showing the precept money we have received, and the Band D tax that residents have paid over the past ten years.

We have confidence that these figures illustrate outstanding value for money, especially given that no Town Council services have been terminated. Furthermore, in the past year, the Council has introduced numerous new and enhanced services. This newsletter highlights the extensive range of services administered by the Town Council, whilst keeping costs down to our residents through lower precept increases.

Event Highlights

- The annual **Donkey Derby**, held in May 2025, proved to be a well-attended and expertly organised event, warmly enjoyed by the local community. Hosted in support of the 5th Testwood Scout Group, the day combined fun and fundraising with great success. Sincere thanks are extended to the organisers for their dedication and hard work.
- The **Annual Town Carnival** lit up June 2025 with vibrant colour, laughter, and a strong sense of community spirit. Once again, the event proved to be extremely well organised and was met with enthusiastic support from residents and local businesses. A heartfelt thank you to all the organisers and volunteers for making the day such a resounding success.

To commemorate the 80th anniversary of VE day

The following events were held to commemorate the 80th anniversary of VE day over four days from 8 May - 11 May 2025.

- Memorial Service
- Theatrical Performance
- Ukulele Performance
- Lights of Peace parade
- Tribute and WW2 songs sing-a-long
- RBL Street Party
- Tea Dance

These events were organised and funded by the Town Council and the Royal British Legion. All events were well attended and gave all age groups in the community an excellent opportunity to come together and commemorate this important milestone.

To commemorate the 80th anniversary of VJ day

Events included a memorial service, flying of commemorative flags, lights of peace parade, Afternoon Tea, planting of trees and bushes, and poetry reading.

Historic experience

Eling Tide Mill Experience

A Totton & Eling Town Council facility

The Grade II* listed Eling Tide Mill, which has stood at the centre of life in Eling for centuries, is one of only a handful of regularly working tide mills left in the UK.

The Eling Tide Mill, its gift shop, adjacent Visitor Centre, Mill Café and the surrounding riverside walks, combine to form The Eling Tide Mill Experience.

Our café provides high-quality casual dining in a light spacious area within the same building as the Visitor Centre, opposite Eling Tide Mill overlooking Bartley Water.

Free to enter, our Café is ideal for morning coffee, light lunches or afternoon tea.

We serve a selection of specialty teas and coffees, cakes and sandwiches.

Please visit our website for opening times between October and March.

Everyone for Tennis!

The Totton & Eling Tennis Centre, established in 2004, is managed by a dedicated family team in partnership with Totton & Eling Town Council.

What we offer

- eight outdoor **floodlit courts**
- available for **casual hire** up to 72 hours in advance
- online court booking - **totton.tennis/court-hire**
- junior and adult **coaching programme**, with around 350 local participants
- **membership packages** available, allowing play in box leagues and teams

How it works

Online court hire is available to everyone, providing a convenient way to secure a court. Once a booking is confirmed, you can use the supplied pin number to access the court gate. Floodlights will switch on automatically, where required. Bring your own racquets and balls.

Our popular **group coaching programme** specialises in introducing new children and adults to the sport, and then focuses on retaining them for the long-term. We offer a simple introduction to tennis, completely free-of-charge, which includes an initial

assessment with a coach, followed by a taster session of a suitable group. Please email to book.

Tennis club membership offers enhanced social and competitive playing opportunities, including free court usage when playing with other members, 30-day booking priority and box leagues. Membership payments are via monthly direct debit.

THE GARAGE

We offer a safe welcoming space for young people to socialise, receive support, learn new skills, and engage in activities of their choice. Our sessions provide games, activities, refreshments, and snacks from our tuck shop, with our team available for guidance and assistance.

Join us for activities like pool, table tennis, cooking, and arts and crafts. Each evening, we tailor sessions based on young people's preferences. We aim to create an environment that caters to their interests.

Additionally, we run a walk in sexual health clinic on the first Tuesday of the month from 4pm to 6pm, led by a certified NHS nurse. It provides services including emergency contraception, free condoms, contraception, contraceptive implants, HIV testing, pregnancy advice and testing and sexual assault support and advice.

As part of the wider Youth Options charity, we run a mentoring group to upskill young people to become Youth Leaders within their settings. A series of monthly training sessions are put on to develop the young people's skills and empower them to grow into the roles. The young people will have a mentor within their setting to support the young people in their journey. The skills and knowledge they gain will also be accredited via the LASER levels qualification scheme and will be a significant boost to their CV.

Your Wellbeing Matters

The Town Council is dedicated to improving the wellbeing of the Town residents and visitors.

We are delighted to report actions taken, thus far, and projects to increase the quality of life for all.

- Refurbishment of the rockery and ponds in the Town park to improve wildlife sustainability and promote improved wellbeing and relaxation
- Introduction of a performance area and human sundial in the Town park, providing entertainment, fun and learning for all generations
- Introduction of play equipment along the green route and in the Town park offering benefits to children by way of interacting with their environment, learning from nature and development through play
- The design, creation and installation of more benches and notice boards individual to Totton & Eling, to improve publication of Town Council and community facilities/activities, together with details of support groups, thus elevating community communication for residents and businesses
- Introduction of wooden sculptural design play equipment in the Town Centre Park, which gives a positive impact on children's physical, social and imaginative development
- Repairs to the Quay Wall and bridge have now been completed, offering the continued opportunity to enjoy this unique historical and valued asset
- Installation of eel passage in March 2025
- Refurbishment and upgrade to Hanger Farm paddling pool, the upgraded surface ensures a safer environment for children and families

Climate and Nature

Over the past year the Council have been actively introducing projects and practices to not only help reduce our carbon footprint, but to also assist in the education for the enhancement of biodiversity and nature prosperity in the Town.

Environmental and sustainability initiatives:

- Bird, bat, and bug boxes have been installed at Council facilities and donated to schools to promote nature awareness and education
- Hedgehog houses have now been installed at relevant Council nature spots
- Bee Squared scheme launched, providing seed packets with sufficient cornflower seeds to encourage pollinator-friendly planting
- Rewilding scheme offering residents free core rewilding seeds that will encourage wildlife into gardens and help boost nature's journey through the town
- Green Spire plants have been used to replace box trees affected by box tree moth infestation
- An additional 21 trees have been planted at Eling Quay and other locations across the Town
- Increased planting budget to support further greening efforts
- Cycling and walking green routes have been improved to encourage sustainable travel
- LED lighting installed around the pond area to improve energy efficiency and visibility
- Annual carbon footprint reports are compiled for monitoring; the latest (2025) shows a reduction on last year, which is below the UK average in terms of emissions in the majority of sectors
- A Civic Award for the Friends of Bartley Park Group was given by the Town Council in January 2025, in the acknowledgment of volunteer groups for all their hard work and contribution to the Town's facilities and its open spaces

Totton & Eling Photo Competition 2026

Celebrating “Our Place to Live”

Totton & Eling Town Council invites residents to take part in our 2026 Photo Competition. We're looking for striking, heartfelt, or inspiring images that capture the essence of life in Totton & Eling, its people, places, nature, and community spirit. Whether it's a quiet moment in the park or a bustling local event, we want to see what makes Totton & Eling special to you.

Submit your photographs celebrating “Our Place to Live” to info@tottoneling-tc.gov.uk by 1 June 2026. The winning image will be chosen by our Town Clerk Susan Cutler and featured on the front cover of Totton & Eling Town Council 2026/2027 Annual Report.
