5. Procurement

- 5.1. **Members and officers are responsible for obtaining value for money at all times.** Any officer procuring goods, services or works should ensure, as far as practicable, that the best available terms are obtained, usually by obtaining prices from several suppliers.
- 5.2. Every contract whether made by the Council or by a Committee to which the power of making contracts has been delegated shall comply with these standing orders, and no exception from any of the following provisions of these standing orders shall be made otherwise than by direction of the Council or in an emergency by such a Committee as aforesaid provided that these standing orders shall not apply to contracts which relate to items a) – g)
- (a) for the supply of gas, electricity, water, sewage and telephone services.
 - (b) for specialist services such as are provided by solicitors, accountants, surveyors and planning consultants.
 - (c) for work to be executed or goods or material to be supplied which consist of repairs to or parts of existing machinery or equipment or plant.
 - (d) for work to be executed or goods or material to be supplied which constitute an extension on an existing contract by the Council.
 - (e) for goods or materials proposed to be purchased which are proprietary articles and/or which are sold only at a fixed price.
 - (f) where it is intended to enter into a contract.
 - (g) where the estimated value or amount of a proposed contract does not exceed £30,000 including VAT.

The Clerk or an Officer appointed by them may enter into such contract with any person whom they consider competent for the purpose but shall have regard to cost and quality considerations and after obtaining best value quotations.

Where the estimated value or amount of a proposed contract exceeds £30,000 but does not exceed £55,000 the Clerk or an Officer appointed by them shall invite not less than three quotations via tendering process which shall be considered only if they are received in securely sealed envelopes endorsed with Tender (followed by the subject to which they relate) and addressed to the Clerk or delegated officer who shall hold the quotations in custody until the time appointment for opening them. The Clerk or an Officer appointed by them shall arrange for the envelopes to be opened at one time in their presence and at least one Member of the Council and shall prepare and sign a list of opened quotations. The Clerk or an Officer appointed by them may:

- i. Accept the lowest quotation (if payment is to be made by the Council) or the highest quotation (if payment is to be made to the Council)

Nothing in these standing orders shall require tenders to be invited if the price of the goods or materials are wholly controlled by trade organisations or government order and no reasonable satisfactory alternative is available or for some other reason there would be no genuine competition.

No tender shall be accepted for contracts exceeding the original estimated amount approved by the Council.

Subject to the following provision any tender submitted in competition received after the specified time shall be returned to the tenderer by the Clerk or delegated Officer. For the above purpose only such tender may be opened to ascertain the name of the tenderer but no details of the tender shall be disclosed: provided that if the Clerk or an Officer appointed by him and one Member of the Council is satisfied that there is evidence of posting in time for delivery by the due date in the normal course of post delivery and that the other tenders have not been opened, otherwise than for the purpose of this Contract Standing Order, such tender may be considered provided that a decision to do so is taken before the tender is opened.

Where examinations of tenders reveals errors or discrepancies which would affect the tender figure(s) in an otherwise successful tender, the tenderer is to be given details of such errors and discrepancies and afforded an opportunity of confirming his offer or of amending it to correct genuine errors. Should they elect to amend his offer and the revised tender is no longer the lowest, the offer now lowest in competitive order shall be examined.

- (I) In every written contract a clause shall be inserted to secure that the Council shall be entitled to cancel the contract and to recover from the contractor the amount of any loss resulting from such cancellations, if the contractor shall have offered or given or agreed to give any person any gift or consideration of any kind as an

inducement or reward for doing or forbearing to do, or for having done, or forborne to do any action in relation to obtaining or the execution of the contract, or any other contract with the Council or for showing or forbearing to show favour or disfavour to any person in relation to the contract or any other contract with the Council or if the like acts shall have been done by any person employed by them or acting on their behalf (whether with or without the knowledge of the contractor), or if in relation to any contract with the Council the Contractor or any person employed by them or acting on their behalf shall have committed any offence under the Prevention of Corruption Acts 1889 to 1961 or any amendment of them or shall have given any fee or reward the receipt of which is an offence under subsection 2 of section 117 of the Local Government Act 1972.

- (J) It shall be a condition of the engagement of the services of any architect or of any engineer, surveyor or other consultant (not being an Officer of the Council) who is to be responsible to the Council for the supervision of a contract on its behalf, that in relation to that contract they shall:
- (i) comply with these Standing Orders as though they were an Officer of the Council.
 - (ii) at any time during the implementation of the contract produce to the Clerk or their representative, on request, all the records maintained by him in relation to contract; and
 - (iii) on completion of a contract, transmit all such records to the Clerk.
- (K) Before entering into a contract in respect of construction, repair or maintenance relating to building trade works, the Clerk or delegated Officer shall ensure that the contractor produces evidence that they hold satisfactory insurance policies in respect of employers' liability, third party and fire risks, and such policies shall be maintained by, or on behalf of, the contractor during the currency of contract. In respect of Employers' Liability and third party risks the sum insured shall be not less than £5,000,000 in respect of any one accident. The Town Clerk shall have the right if they consider it appropriate to increase that figure to £10,000,000
- (L) In every written contract for the execution of work or the supply of goods or materials the following clauses shall be inserted:
- The Contractor shall be prohibited from transferring or assigning directly, or indirectly, to any person or persons whatsoever, any portion of his contract without the written permission of the Council. Subletting of any part(s) of the work, except to the extent permitted in writing by the Council shall be prohibited.

- (M) (a) Every contract regardless of value shall be in writing.
- (b) Every written contract, whether for the execution of work or for the supply of goods or materials, shall be in such form as the Clerk may approve.
- (c) Every contract in writing shall specify:
- (d) The work, materials, matters or things to be executed or supplied.
- (e) The price to be paid, with a statement of discounts, or other deductions; and the time or times within which the contract is to be performed.
- (f) This Standing Order section (m) shall not apply in cases where the Council is ordering materials or goods which are supplied to the Council on a regular basis for the running, maintenance or repairs of the Council's land, buildings or machines.

5.3 For a contract for the supply of goods, services or works where the estimated value will exceed the thresholds set by Parliament, the full requirements of The Public Contracts Regulations 2015 or any superseding legislation (“the Legislation”), must be followed in respect of the tendering, award and notification of that contract.

5.4. Where the estimated value is below the Government threshold, the Council shall obtain prices as follows:

5.6. For contracts estimated to be over £30,000 including VAT, the Council must comply with any requirements of the Legislation¹ regarding the advertising of contract opportunities and the publication of notices about the award of contracts.

5.7. For contracts less than £30,000 including VAT the Clerk or delegated Officer shall seek best value quotes;

5.8 For smaller purchases, the Clerk and Officers shall seek to achieve value for money.

¹ The Regulations require Councils to use the Central Digital Platform website if they advertise contract opportunities and also to publicise the award of contracts over £30,000 including VAT, regardless of whether they were advertised.

5.9 Contracts must not be split into smaller lots to avoid compliance with these rules.

5.10 The requirement to obtain competitive prices in these regulations need not apply to contracts that relate to items (i) to (iv) below:

- i. specialist services, such as legal professionals acting in disputes.
- ii. repairs to, or parts for, existing machinery or equipment.
- iii. works, goods or services that constitute an extension of an existing contract.
- iv. goods or services that are only available from one supplier or are sold at a fixed price.

5.11. When applications are made to waive this financial regulation to enable a price to be negotiated without competition, the reason should be set out in a recommendation to the Council or relevant Committee. Avoidance of competition is not a valid reason.

5.12. The Council shall not be obliged to accept the lowest or any tender, quote or estimate.

5.13. Individual purchases within an agreed budget for that type of expenditure may be authorised by:

- Relevant Line Managers.

5.16 In cases of serious risk to the delivery of Council services or to public safety on Council premises, the Clerk may authorise expenditure of up to £15,000 excluding VAT on repair, replacement or other work that in their judgement is necessary, whether or not there is any budget for such expenditure. The Clerk shall report such action to the Chair as soon as possible and to the Council as soon as practicable thereafter.

5.17 Where expenditure is incurred in accordance with regulation 5.18 above and the sum required cannot be met from savings made elsewhere within the Committee's approved budget, it shall be subject to the provisions of a supplementary estimate approved by the P & R Committee or the Council.

- 5.18 No expenditure shall be authorised, no contract entered into or tender accepted in relation to any major project, unless the Council is satisfied that the necessary funds are available and that where a loan is required, Government borrowing approval has been obtained first.

- 5.20 Payments on account of the contract sum shall be made within the time specified in the contract by the RFO upon authorised certificates of the architect or other consultants engaged to supervise the contract.
