2. Policy statement

The Totton and Eling Town Council Civic Awards aim to recognise and celebrate those who make significant contributions to Totton and Eling town and its residents.

Nominations can be made for individuals or groups who have provided long-term service to Totton and Eling residents, or to individuals or groups who have created a recent but highly innovative and demonstrably impactful service.

3. Policy aim

This policy sets out an agreed process for nominations and selection.

4. Procedures and guidance

4.1 Nominations

- 4.1.1 All nominations must be made confidentially; nominations will remain confidential throughout the process; details of any individual or group nominated must not be made public; only successful nominees will be made public, following notification of success and agreement to acceptance of an award.
- 4.1.2 Nominations may be made by Councillors, Officers or residents of the Town.
- 4.1.3 All nominations should be made in writing on the Civic Award form and contain as much information as possible clearly stating why they think that person or group should receive an award and include contact details for the nominee. The nominator is responsible for the content, quality and accuracy of the nomination.
- 4.1.4 Councillors and Officers are required to treat all nominations as confidential. If further information is required to support a nomination, it will be gathered discreetly by Officers.
- 4.1.5 Self-nomination is not permitted.
- 4.1.6 There is no guarantee of an award as a result of a nomination, but due consideration will be given to all nominations received. Nominations will be reviewed by the Policy and Resources committee who will decide upon the chosen winners.
- 4.1.7 The number of nominations will not have a bearing in the judgement of the nomination and decision.
- 4.1.8 The person making the nomination will be informed of the decision by the Town Clerk. Instructions will be provided on retaining confidentiality and, for successful nominations, the arrangements for award giving.

4.2 Civic Award criteria

4.2.1 Nominations can be for individuals or groups who volunteer their time.

4.2.2 Nominees must have made a significant contribution to Totton and Eling and its residents. This could be through specific endeavors or through a combination of a number of factors: those who add social, cultural, educational, economic or environmental value to the Town; initiatives to improve quality of life for residents; a sustained contribution to a particular issue which has far-reaching benefits for Totton and Eling; improving the promotion of the Town or enhancing its reputation; or to individuals or groups who have created a recent but highly innovative and demonstrably impactful service.

4.3 Eligibility

4.3.1 Nominees should ordinarily be resident within Totton and Eling electoral boundaries, however, nominees who are not resident in the town but who have contributed their services wholly to the well-being of the town and its residents will be considered.

4.3.2 Nominees should provide services to Totton and Eling residents and be currently active in the community work for which they are nominated.

4.3.3 Councillors and employees of Totton and Eling Town Council are not eligible for the awards.
