**THE HAMPSHIRE (A36 SALISBURY ROAD, HILLSTREET AND PAULETT'S LANE, TOTTON) (30, 40 AND 50 MILES PER HOUR SPEED LIMIT) ORDER 2026**

**Statement of Reasons**

A reduction in speed to 40mph along Salisbury Road will facilitate a safer environment for road users, pedestrians and cyclists. Provision of a new roundabout at Brooks Hill Industrial Estate will create a gateway feature and highlight the change in nature of Salisbury Road, this will be further enhanced by the provision of housing along the Salisbury Road frontage and a secondary access. Measured speeds on Salisbury Road (taken centrally within the current 50 mph speed limit) indicates that the speeds are generally in line with the posted speed limit with a maximum 85th percentile of 48.1mph for westbound traffic and 50.7mph for eastbound traffic.

A Road safety audit has been undertaken for both the site access works and footway improvement works along Salisbury Road. Speed survey undertaken in December 2020.
